FOR IMMEDIATE RELEASE

State Route 12 and State Route 113 Intersection-Survey Work Daytime Intermittent Closures Near Rio Vista Start Tuesday, January 27

SOLANO COUNTY – The California Department of Transportation (Caltrans) will perform survey work near the intersection of State Route 12 (SR-12) and State Route 113 (SR-113) in rural Solano County just west of Rio Vista. The multiple-day project is scheduled to start Tuesday, January 27 and will be completed by Tuesday, February 3.

Intermittent SR-12 and SR-113 Alternating Closures:

To ensure public and worker safety, crews will alternate closures on eastbound and westbound SR-12 and northbound and southbound SR-113. The California Highway Patrol (CHP), a flagger on foot, and a pilot car will help direct motorists. Drivers may experience 5-10 minute delays. Please allow for extra travel time.

Work Schedule and Locations
